

Zero Hero

I'm Zero the Hero
and I'm here to say,
Hooray, hooray
On your 10th day!
Congratulations on your very first zero.
That's the favorite number of Zero the Hero.
A zero is special for you and for me.
You'll find it every 10 days--you'll see!
Good-bye for today, here's a treat that's
round and cool.
I'll be back in another 10 days of school.
I'm Zero the Hero--let's cheer today.
Hooray, hooray for our 10th day!

Love,
Zero

p.s. I hope you enjoy your Zero craft. I will
leave you another special craft project on day
20 of school. I will bring you another special
treat on day 50 of school!
